I just processed the 4th quarter 2000 water samples from the pipeline to the database for the Soldier Canyon Mine. This included 2 field readings, the remaining sites were listed as No Flow or No Access. The following was processed:

10 FLD 10/27/2000  
23 NOF 10/17/2000  
24 NOF 10/17/2000  
5 NOA 12/29/2000  
10-2 FLD 12/18/2000  
6-1 NOA 12/29/2000  
G-10 NOA 12/29/2000  
G-5 NOA 12/19/2000  
G-6 NOA 12/19/2000
